Dear Richard Secord:

The Alberta Energy Regulator (AER) acknowledges receipt of your correspondence on behalf of Audrey Taylor and Robert Taylor dated April 27, 2017, expressing their concerns to the above applications. The submission has been reviewed, and their concerns have been registered as a statement of concern (SOC), and assigned registration number 30706.

Their SOC is now being considered in the review of the applications. The SOC is now part of the public record of the applications and is available to the decision maker.

By way of copy of this letter to Granite Oil Corp., we are requesting they contact you to attempt to address your concerns, as provided under AER requirements.

The AER offers and strongly recommends you make use of our Alternative Dispute Resolution (ADR) program which features either staff or third party mediation arranged through an AER mediator. Please contact Heather Seagrave at 403-297-2135 for more information on this process. Further information about this program is available through *EnerFAQs: All About Alternative Dispute Resolution* and *Manual 004: ADR Alternative Dispute Resolution Program and Guidelines for Energy Industry Disputes* on the AER web site, (<http://www.aer.ca>), under Applications & Notices, Alternative Dispute Resolution (ADR) Process.

Please note that the AER has no jurisdiction over matters of compensation for land usage. The Alberta Surface Rights Board is the regulatory agency that deals with these issues. Further, the AER has no jurisdiction with respect to assessing the adequacy of Crown consultation associated with the rights of indigenous peoples.

Section 49 of the *Alberta Energy Regulator Rules of Practice* (Rules) requires that all documents filed with the AER be placed on the public record. However, any party may file a request for confidentiality of information under Section 49 prior to filing the information with the AER. Any request under Section 49 must be copied to the other parties to the proceeding. Section 49 of the Rules is available at the AER website at www.aer.ca.

Should you have any questions regarding registration of your SOC, please contact the undersigned at 403-297-3431 or email SOC@aer.ca.

Yours truly,

Maribel Arguello
